

Drysuit Diver

Experience

Warmth & Comfort

on Every Dive!

The [Drysuit Diver Specialty Course](#) is for anyone who **owns** or wishes to dive dry, using a drysuit.

In addition to showing you the proper care, maintenance and **minor repairs** that can be made to a drysuit, you will learn proper **buoyancy control techniques** and **safety maneuvers** to get the most out of using your drysuit.

We will also discuss the differences in **undergarments** and proper dressing techniques for **maximum** efficiency, buoyancy control, dive weight reduction and **warmth**. You'll also receive the best tips, hints and suggestions to preserve your investment.

After our pool and 2 open water dives, you'll be amazed at just how easy it is to use a drysuit for diving and you'll feel more comfortable in doing so. Our Drysuit Specialty Course includes:

One Classroom Session	Drysuit Diver Specialty Certification	One Pool Dive
Two Open Water Training Dives	Tanks for Pool and Open Water	Certification Card

This Specialty Course also counts toward your [Master Scuba Diver Certification](#)
